

Earth Remembers When Discussion Guide

After reading *Earth Remembers When*, use the following questions to continue the conversation about how we all can become environmentally responsible citizens.

What is something we can do right now to help the environment?

Why is it important to reduce our plastic consumption?

Are there other animals besides those listed in the book that are impacted by human influence?

Why are so many rainforests being destroyed? (Hint: it's not for wood or paper)

How does eating healthy help the planet?

How can you pack a trash free lunch?

Is it better to recycle or reuse something?

What is the difference between recycle and upcycle?

What organizations can we join to help the environment? (Visit Kid's Corner at dawnwynne.com for some ideas)
